

Increase Your Visibility

The Colorado Statesman can help people find you!

Many organizations, groups, elected officials and companies list their Web site domain in *The Colorado Statesman's* weekly **Political Connections**, which appears in both the print and online editions. *The Colorado Statesman* serves the political and business communities of Colorado with nonpartisan news of the legislature, statewide politics and public policy issues. Listing your Web site in *The Colorado Statesman* will promote your company or political issue statewide and make an impact on the people in power.

Who will see your information?

Our 111-year-old non-partisan newspaper is read by state legislators and other elected officials and community leaders, including members of Colorado's congressional delegation, members of the Republican and Democratic State central committees, Chambers of Commerce officials, registered lobbyists, corporate leaders and politically active citizens. You've invested in creating an easy-access information site for your clients and constituents. Your listing will also be accessible on *The Colorado Statesman's* Web site with an active link to your own Web site.
